AMERICAN BOARD OF COLON AND RECTAL SURGERY

TRAVEL EXPENSE REIMBURSEMENT GUIDELINES

It is the policy of the American Board of Colon and Rectal Surgery to reimburse members and employees for reasonable expenses incurred while traveling on Board related business. Original receipts for all reimbursable expenses greater than \$25 must be attached.

Transportation:

Regarding air travel, domestic travel will be reimbursed at coach class fare. It is expected that all ABCRS members and staff will do advance-purchase ticketing to obtain the lowest airfare for that trip (usually 3-4 weeks ahead). Including Saturday stay-over if applicable. Trip cancellation insurance is advised for non-refundable airline tickets.

Privately-owned vehicle transportation used instead of air travel will not exceed cost of airfare to the same destination, and is reimbursable at the current IRS Standard Mileage Rate.

Living Expenses:

Standard first class, but no luxury hotel or motel should be used. Unauthorized accompanying individual expenses (e.g., spouse) are at member's expense. Reasonable meal charges are reimbursed. Excess amounts should be substantiated by explanatory note.

It is expected that members will exercise discretion in selection of hotel accommodations, meals and transportation. Individuals are free to upgrade any category at their own expense. ABCRS will reimburse reasonable incidentals and telephone charges, however, all other personal expenses, including entertainment, are at member's expense.

A \$500,000 personal travel and accident insurance policy is carried by the Board for those traveling on ABCRS related business.

For unanswered special questions, contact the Board Office.
